October is National Disability Employment Awareness Month, an annual awareness campaign to educate about disability employment and celebrate the many and varied contributions of employees with disabilities.

As part of NDEAM, the Office of Equal Opportunity is hosting

**Allies for Inclusion:**

**The Ability Exhibit**

The Ability Exhibit, from The Ability Institute at Saint Louis University, is a traveling exhibit designed to promote the inclusion of people with disabilities through respect for others, comfort during interactions, and awareness of disability issues. Using a multi-media approach, the Ability Exhibit offers suggestions for becoming disability allies and educators. It provides interactive stations designed to build awareness about people with disabilities and the disability movement. Join us at The Ability Exhibit to gain a new perspective of what it means to have a disability, help break the stigma, and learn about disability and inclusion.
