Alternative Appointment Request (AAR) postings are created from position descriptions to request a direct appointment for a Faculty position.

**Faculty Alternative Appointment Requests may only be created by Initiators using approved position descriptions.**

Please reach out to OEO before initiating an AAR posting to ensure that the correct process is followed.

Below are the steps in the creation and approval of the Alternative Appointment Request.

The following slide helps illustrate when an AAR is and is not required/allowed.

AAR – Alternative Appointment Request Page

Note: Utilization of the Alternative Appointment Request page assumes that a candidate has already been identified for the position and you wish to seek approval to associate the appointment with the job posting. 2. Enter the name of the proposed individual.
