How to Create an Internal Job Posting

How to Create and Post an Internal Job Posting

An Internal Job Posting is created/utilized when a department plans to run an **internal search** for a promotional opportunity, or when there is a new vacancy, and the department wishes to move a current employee into the vacant position. If approved by OEO, the department can run an internal, competitive search using the search committee model to promote an employee.

Internal Job Postings may be created by Initiators only.

Initiators may create internal job postings using approved and updated position descriptions, only.

The steps in the following slides explain how to create, prompt approval and post internal job postings.

1. The Special Instruction Summary allows the committee to communicate the specific details required in the application process to applicants i.e. documents that may be required to apply, information about references, etc. It will appear at the top of the job posting on the CSU Jobs Website. The language 'Reference will not be contacted without prior notification of candidates' should also be included. A great example of a special instruction summary is: "Interested applicants must submit a cover letter which addresses how professional experiences align with identified required and preferred qualifications of the position, a current resume, and the names, e-mail addresses, and telephone numbers of three (3) professional references. References will not be contacted without prior notification of candidates. If you have questions, please contact (search contact information)".

1. The Short Posting field allows OEO to review and approve a 'bite-sized' version of the posting announcement (perfect for a listserve announcement). The short posting should include the title of the position, the location, a brief summary of the position, the 'Quick Link for Internal Postings' so applicants know where to apply, and the shortened EO/EA/AA and background check language that is auto-populated. Please **do not** delete the EO/EA/AA auto populated language. This should appear at the bottom of every short posting.

Note: The language in these two fields will pull through to the job posting and will be viewable by applicants.

Pass Message	Thank you for your interest in this position. The screening and selection process is currently underway and will continue until a successful candidate is chosen. Should review of your qualifications result in a decision to pursue your candidacy, you will be contacted.
Fail Message	Thank you for your interest in this position. Based on your responses to the questions on the employment application, you do not meet the minimum qualifications for this position. Please do not let this discourage you from applying for other positions at CSU that interest you.

Note: Supplemental questions are similar to minimum qualification screening forms. It's a way to determine if an applicant meets minimum qualifications by having them answer a set of questions when the are applying to the position. Certain answers to questions can be made 'disqualifying'. This means that if an applicant selects a disqualifying answer, they will automatically self-disqualify from the pool. This automatically places them into the workflow state 'System determined did not meet minimum qualifications'. You may choose to use either supplemental questions or a minimum qualification screening form or both.

Posting Question Options: Once questions have been added to the posting, you will see a column of checkboxes to the left of each question; checking these boxes will make a question required.

Possible Answer 1: Yes

Possible Answer 2: No

Submit

1. Use the Name field to name your question. You may also select a category to file it under.

2. Enter the supplemental question in the Question field. It should directly relate to one of your required qualifications. If the question is date sensitive, please be sure to include the referenced date. For example, the question shown here would need to include the anticipated start date as an applicant must have their Bachelor's degree prior to starting the position.

3. Select one of the two options under Possible Answers. Open Ended Answers allows applicants to type a personalized response. Predefined Answers gives the applicants set, multiple choices answers. Use Predefined Answers if you wish to create self-disqualifying questions.

4. Enter the possible answer choices to the question above.

5. Click Submit.

Note: Search committees are teams of qualified individuals selected by the Hiring Authority to work through the CSU search process to identify a qualified applicant to fill a vacancy. Each search committee will have a search committee chair and search committee members.

Assigning Search Committee Members

Existing Account

If you enter either the **username** or **email** of a user, the system will return their account in the search results and allow you to request them to be added as a Search Committee Member by clicking the "Add Member" button. This is only a request; OEO will need to approve this user as a potential search committee member user in the system before they can begin logging in as the user group.

New Account

If you search for an existing account under the "New Search Committee Member" section allows you to find an existing user in the system to add as a Search Committee Member or request a new account altogether.

The Chair for this search MUST be Search Chair trained.

Search Committee Members

No Search Committee Members have been assigned to this search.

Add Existing User Create New User Account

1. To add a search committee chair or member, click on the Add Existing User button.

Note: If you are unable to find a search committee member who is a current CSU employee using the Add Existing User lookup, please **DO NOT** create a new user account for this individual. All current CSU employees already have an existing TMS account. If they do not show up when searched, they may not have the Search Committee Member user role assigned to their profile. Please reach out to OEO at oeo@colostate.edu or (970) 491-5836 should this situation arise.
