

### REQUEST FOR RELIGIOUS EXEMPTION FROM COVID-19 SCREENING REQUIREMENT

By filling out this form, you are acknowledging that you have reviewed [Colorado State University's requirement](#) that all students and employees who are not fully vaccinated and who are working, visiting, living, or attending any hybrid or face-to-face course on a CSU campus or other university grounds in Larimer County must screen for COVID-19 twice a week, and you are requesting an exemption due to your sincerely held religious belief, practice, or observance.

To request an exemption due to a sincerely held religious belief, practice, or observance, please complete this exemption form, and submit the completed form to the Office of Equal Opportunity (OEO). Please be advised that OEO will review and evaluate each request on a case-by-case basis and cannot guarantee any exemptions or reasonable accommodations. To properly process your request, OEO may request additional information or documentation to engage in an interactive process to determine whether you are eligible for an exemption or accommodation. Non-religious personal preferences and social and political reasons for not screening for COVID-19 are not protected by the Colorado Anti-Discrimination Act or Title VII of the federal Civil Rights Act of 1964, and requests of this nature will be denied.
